Dear Lucien,

On behalf of Temple B'nai Sholem, I thank you, Tarheel Associates and it's subcontractors for an outstanding performance on the recent completion of our renovation job. The entire project was prosecuted in a professional and workman like fashion and we are very pleased with the results.

We have gotten many compliments from congregants as well as neighbors on how nice the building now looks. In fact, the project has been so well received that it has prompted several congregants to make unsolicited donations.

We haven't completed our overall renovation program and we certainly will be doing more business with Tarheel.

I want to add my personal thanks for making my job easy.

Sincerely,
